- **Single crochet (sc):** Insert the hook into the next stitch on the chain. Wrap the yarn over the hook, pull it through the stitch, and then yarn over the hook again and pull it through both loops on the hook.
- **Double crochet (dc):** Yarn over the hook once and insert it into the next stitch on the chain. Wrap the yarn over the hook again and pull it through the stitch. Yarn over the hook once more and pull it through the first two loops on the hook. Yarn over the hook again and pull it through the remaining two loops on the hook.
