One Vote is a non-partisan organization that works to increase voter turnout and make voting more accessible. We believe that everyone should have the opportunity to participate in our democracy, and we're working to make that happen.

We work with a variety of partners, including community organizations, schools, and businesses, to register voters, educate them about the voting process, and get them to the polls on Election Day. We also advocate for policies that make voting easier, such as early voting and same-day registration.

Our work is making a difference. In the 2020 election, we helped register over 1 million new voters and get over 2 million people to the polls. We're

proud of the progress we've made, but we know there's still more work to do.

We need your help to make sure that everyone has the opportunity to participate in our democracy. Here are a few ways you can get involved:

- Register to vote. If you're not already registered, you can do so at our website: <https://onevote.org/register-to-vote/>
- Volunteer with us. We're always looking for volunteers to help us with voter registration, education, and get-out-the-vote efforts. You can sign up to volunteer at our website: <https://onevote.org/volunteer/>
- Donate to our organization. Your donation will help us continue our work to increase voter turnout and make voting more accessible. You can donate at our website: <https://onevote.org/donate/>

Together, we can make a difference. Let's make sure that everyone has the opportunity to participate in our democracy.

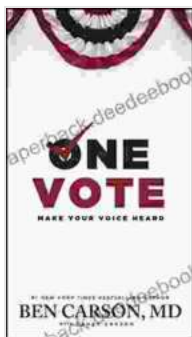

One Vote: Make Your Voice Heard.
