Avramapul was born into a life of poverty in a small village on the outskirts of the kingdom of Eldoria. His parents were farmers, and he grew up working the land. But Avramapul always dreamed of more than a life of farming. He wanted to be a warrior, and when he was old enough, he left his village and joined the army of Eldoria. Avramapul quickly proved to be a natural leader. He was brave, strong, and intelligent, and he quickly rose through the ranks. He fought in many battles, and he always led his men to victory. Eventually, Avramapul became one of the most respected commanders in the Eldorian army.

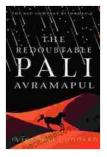

But Avramapul was not content to simply serve in the army. He dreamed of leading his own mercenary company, and when he was offered the chance to do so, he jumped at it. He gathered together a group of like-minded warriors, and together they formed the Red Company.

The Red Company quickly made a name for itself. They were hired by both sides in the wars of the land, and they always fought with honor and distinction.
