The book starts with a simple question: "Who likes bugs?" The answer, of course, is "We do!" Kids will then learn about different animals that like to eat bugs, including frogs, birds, bats, and even some fish. Each animal is featured on its own page, with a beautiful illustration and a fun fact about its age. For example, did you know that a frog can live for up to 15 years? Or that a bat can live for up to 30 years?

Who Likes Bugs? We Do! is a great way to teach kids about animals and their ages. The book is also a lot of fun to read, with its beautiful illustrations and engaging text. Kids will love learning about all the different animals that like to eat bugs, and they'll be amazed by the fun facts about their ages.

Here are some of the things that kids will learn from Who Likes Bugs? We Do!:

- Different animals that like to eat bugs
- The ages of different animals
- Fun facts about animals

Who Likes Bugs? We Do! is a great book for kids of all ages. It's a fun and educational way to learn about animals and their ages.

## **Activities**

Here are some activities that you can do with your kids after reading Who Likes Bugs? We Do!:

- Go on a bug hunt. See how many different bugs you can find. You can even try to identify the bugs using a field guide.
- Make a bug collage. Collect different bugs and then glue them to a piece of paper. You can even add other materials, like leaves and flowers, to create a unique work of art.
- Write a story about a bug. What kind of adventures does your bug have? Where does it live? What does it eat?

- Sing the "Who Likes Bugs?" song. You can find the lyrics to the song online.

Who Likes Bugs? We Do! is a great way to teach kids about animals and their ages. It's also a lot of fun to read, and it's sure to inspire some creative activities.
